

22) Write a program to demonstrate interface.

```
using System;
using System.Collections.Generic;
using System.Linq;
using System.Text;

namespace Ass22
{
    public interface demo
    {
        void show();
    }
    public class demo1 : demo
    {
        public void show()
        {
            Console.WriteLine("demonstration of interface");
        }
    }

    class Program
    {
        static void Main(string[] args)
        {
            demo1 d=new demo1();
            d.show();
            Console.ReadLine();
        }
    }
}
```
