

9) Write to program to "Teach One, Each One, Tree One" given numbers of time.

```
using System;
using System.Collections.Generic;
using System.Linq;
using System.Text;

namespace Ass9
{
    class demo
    {
        public int n;
        public void show()
        {
            Console.Write("enter number");
            n = Convert.ToInt32(Console.ReadLine());
            for (int i = 1; i <= n; i++)
            {
                Console.Write("Teach one,Each one Tree one\n");
            }
        }
    }
    class Program
    {
        static void Main(string[] args)
        {
            demo d1 = new demo();
            d1.show();
            Console.ReadLine();
        }
    }
}
```
